

TGA Worship Songs w/ Hand-Motions

I'm Gonna Walk by Promiseland

Lyrics

I'm gonna walk (echo)
I'm gonna walk (echo)
I'm gonna walk in the light of Jesus all the way.

I'm gonna walk (echo)
I'm gonna walk (echo)
I'm gonna walk in the light of Jesus every day.

When the sun comes up (echo)
When the sun goes down (echo)
I'm gonna walk in the light of Jesus all the way.

When the sun comes up (echo)
When the sun goes down (echo)
I'm gonna walk in the light of Jesus every day.

I'm gonna twist (echo)
I'm gonna twist (echo)
I'm gonna twist in the light of Jesus all the way.

I'm gonna twist (echo)
I'm gonna twist (echo)
I'm gonna twist in the light of Jesus every day.

When the sun comes up (echo)
When the sun goes down (echo)
I'm gonna walk in the light of Jesus all the way.

When the sun comes up (echo)
When the sun goes down (echo)
I'm gonna walk in the light of Jesus every day.

I'm gonna jump (echo)
I'm gonna jump (echo)
I'm gonna jump in the light of Jesus all the way.

I'm gonna jump (echo)
I'm gonna jump (echo)
I'm gonna jump in the light of Jesus.
I'm gonna twist in the light of Jesus
I'm gonna walk in the light of Jesus every day.

Hand-Motions

Walk in place
Walk in place
Walk in place, then make cross with your forearms

Walk in place
Walk in place
Walk in place, then make cross with your forearms

Start with hands stretched down and raise them high
Point down and lower hands to ground with squat
Walk in place, then make cross with your forearms

Start with hands stretched down and raise them high
Point down and lower hands to ground with squat
Walk in place, then make cross with your forearms

Twist (Chubby Checker Style)
Twist (Chubby Checker Style)
Twist, then make cross with your forearms

Twist (Chubby Checker Style)
Twist (Chubby Checker Style)
Twist, then make cross with your forearms

Start with hands stretched down and raise them high
Point down and lower hands to ground with squat
Walk in place, then make cross with your forearms

Start with hands stretched down and raise them high
Point down and lower hands to ground with squat
Walk in place, then make cross with your forearms

Jump up high
Jump up high
Jump up high, then make cross with your forearms

Jump up higher!
Jump up higher!
Jump, then make cross with your forearms
Twist, then make cross with your forearms
Walk in place, then make cross with your forearms
